

ADVANCEMENT IN RANK

Divide the group into seven smaller groups and assign each group one of the words listed below. Read the story. After each of the words is read pause for the group to make the appropriate response.

TIGER	"Roar"
WOLF	"Howl"
BEAR	"Growl"
WEBELOS	"Let's go camping!"
LEADERS	"Let's go, boys!"
PARENTS	"I'll help!"
THE PACK THAT ADVANCEMENT BUILT	"Congratulations, Boys!"

Once upon a time, there was a Cub Pack. Not a large Pack, in fact not even a small Pack. Just a medium-sized Pack. There were TIGERS and WOLVES and BEARS and WEBELOS. But they stayed TIGERS and WOLVES and BEARS and WEBELOS. And that's the way the Pack stayed a medium-sized Pack.

One evening, all the LEADERS got together at the monthly Pack LEADERS meeting to figure out why their Pack stayed medium-sized. One Den LEADER thought it was the PARENTS fault. One Den LEADER thought it was the youths' fault. One Den LEADER didn't know whose fault it was!

But one Den LEADER thought that the reason their Pack stayed medium-sized was advancement! They had no advancement! So all the LEADERS put their heads together and began to promote advancement. Soon, they were becoming THE PACK THAT ADVANCEMENT BUILT.

Their TIGERS became WOLVES and their WOLVES became BEARS and their BEARS became WEBELOS and their WEBELOS advanced to Scouts. Soon the LEADERS were happy, the PARENTS were happy and the youth were especially happy. They grew from a medium-sized Pack to a large, stronger Pack. And with the LEADERS help, and PARENTS help, and the WOLVES, BEARS and WEBELOS help, they really were THE PACK THAT ADVANCEMENT BUILT.
